SETTLEMENT AGREEMENT

This Settlement Agreement, dated September 7, 2023, is made and entered into by and among the following Settling Parties (as defined below): (i) Joe Lara (“Plaintiff”), individually and on behalf of the Settlement Class (as defined below), by and through his counsel of record TURKE & STRAUSS LLP (“Plaintiff’s Counsel”); and (ii) Lubbock Heart Hospital, LLC, d/b/a Lubbock Heart & Surgical Hospital (“Defendant” or “Lubbock”), by and through its counsel of record, BAKER HOSTETLER LLP. The Settlement Agreement is subject to Court approval and is intended by the Settling Parties to fully, finally, and forever resolve, discharge, and settle the Released Claims (as defined below), upon and subject to the terms and conditions hereof.

I. THE LITIGATION

Plaintiff alleges Defendant failed to protect his and the putative class’s “highly sensitive personal identifiable information (‘PII’) and protected health information (‘PHI’)” during a July 2022 data incident (the “Data Incident”) *See* Doc. 1. Plaintiff alleges that the PII and PHI of approximately 122,605 persons was implicated in the Data Incident. Plaintiff further alleges the

Data Incident lasted for two days and exposed the class’s names, contact information, demographic information, dates of birth, Social Security numbers, diagnosis information, treatment information, prescription information, Medical Record numbers, provider names, dates of service, and health insurance information. *Id.* ¶18. Plaintiff alleges Defendant violated its duties to protect his and the proposed class’s information under tort, contract, and statutory law. As a result, Plaintiff brought suit against Defendant, alleging six causes of action. *See generally id.* Given the risks in continuing to litigate his claims—as described below—Plaintiff believes that settlement, as set forth in this Settlement Agreement, is in the best interest of Plaintiff and the Settlement Class. Under the terms below, this Settlement Agreement resolves all claims and causes of action asserted, or that could have been asserted, against Defendant and the Released Persons (as defined below) relating to the Data Incident, by and on behalf of Plaintiff and Settlement Class Members (as defined below), and any other such actions by and on behalf of any other individuals originating, or that may originate, in jurisdictions in the United States of America against Defendant and the Released Persons relating to the Data Incident.

II. CLAIMS OF PLAINTIFF AND BENEFITS OF SETTLING

Plaintiff believes that the claims asserted in the Litigation, as set forth in the Complaint, have merit. Plaintiff and Class Counsel (as defined below) recognize and acknowledge, however, the expense and length of continued proceedings necessary to prosecute the Litigation against Defendant through motion practice, trial, and potential appeals. They have also considered the uncertain outcome and risk of further litigation, as well as the difficulties and delays inherent in such litigation. Class Counsel are highly experienced in class-action litigation and very knowledgeable regarding the relevant claims, remedies, and defenses at issue in cybersecurity incident litigation in general and in this Litigation in particular. They have determined that the

settlement set forth in this Settlement Agreement is fair, reasonable, and adequate, and in the best interests of the Settlement Class.

III. DENIAL OF WRONGDOING AND LIABILITY

Defendant denies each and all of the claims and contentions alleged against it in the Litigation. Defendant denies all charges of wrongdoing or liability as alleged, or which could be alleged, in the Litigation. Nonetheless, Defendant has concluded that further litigation would be protracted and expensive, and that it is desirable that the Litigation be fully and finally settled in the manner and upon the terms and conditions set forth in this Settlement Agreement. Defendant has considered the uncertainty and risks inherent in any litigation. Defendant has, therefore, determined that it is desirable and beneficial that the Litigation be settled in the manner and upon the terms and conditions set forth in this Settlement Agreement.

IV. TERMS OF SETTLEMENT

NOW, THEREFORE, IT IS HEREBY STIPULATED AND AGREED, by and among Plaintiff, individually and on behalf of the Settlement Class, Class Counsel, and Defendant that, subject to the approval of the Court, the Litigation and the Released Claims shall be finally and fully compromised, settled, and released, and the Litigation shall be dismissed with prejudice as to the Settling Parties, the Settlement Class, and the Settlement Class Members, except those Settlement Class Members who lawfully opt-out of the Settlement Agreement, upon and subject to the terms and conditions of this Settlement Agreement, as follows:

With respect to any and all Released Claims, the Settling Parties stipulate and agree that upon the Effective Date, Plaintiff

intends to and expressly shall have, and each of the other Settlement Class Members intend to and shall be deemed to have, and by operation of the Judgment shall have, waived the provisions, rights, and benefits conferred by California Civil Code § 1542, and also any and all provisions, rights, and benefits conferred by any law of any state, province, or territory of the United States (including, without limitation, California Civil Code §§ 1798.80 *et seq.*, Montana Code Ann. § 28-1-1602; North Dakota Cent. Code § 9-13-02; and South Dakota Codified Laws § 20-7-11), which is similar, comparable, or equivalent to California Civil Code §1542, which provides:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS THAT THE CREDITOR OR RELEASING PARTY DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE, AND THAT, IF KNOWN BY HIM OR HER, WOULD HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR OR RELEASED PARTY.

Settlement Class Members, including Plaintiff, may hereafter discover facts in addition to, or different from, those that they, and any of them, now know or believe to be true with respect to the subject matter of the Released Claims, but Plaintiff expressly shall have, and each other Settlement Class Member shall be deemed to have, and by operation of the Judgment shall have, upon the Effective Date, fully, finally and forever settled and released any and all Released Claims. The Settling Parties acknowledge, and Settlement Class Members shall be deemed by operation of the Judgment to have acknowledged, that the foregoing waiver is a material element of the Settlement Agreement of which this release is a part.

1.30 “Valid Claims” means Settlement Claims in an amount approved by the Claims Administrator or found to be valid through the claims processing and/or dispute resolution process described in ¶ 2.5.

2. Settlement Benefits

2.1 Loss Reimbursement.

2.1.1 Ordinary Losses

- a) Documented Out-Of-Pocket Losses. All Settlement Class Members who submit a Valid Claim using the Claim Form, including necessary supporting documentation, are eligible for reimbursement of the following documented out-of-pocket expenses and losses, not to exceed \$3,500.00 per Settlement Class Member, that were incurred as a result of the Data Incident and responding to it, including: (i) unreimbursed bank fees; (ii) long distance phone charges; (iii) cell phone charges (only if charged by the minute); (iv) data charges (only if charged based on the amount of data used); (v) postage; (vi) gasoline for local travel; (vii) unreimbursed losses due to fraud or identity theft; and (viii) any other charge or loss reasonably related to the Data Incident incurred by Settlement Class Members between July 11, 2022, and the Claims Deadline. To receive reimbursement for documented out-of-pocket losses, Settlement Class Members must submit a Valid Claim, including documentation supporting their claims, to the Claims Administrator.
- b) Reimbursement for Attested Lost Time. Settlement Class Members are also eligible to receive reimbursement for up to three hours of lost time spent dealing with the Data Incident (calculated at the rate of \$25 per hour), but only if at least one (1) full hour was spent dealing with the Data Incident. Settlement Class Members may receive up

to three hours of lost time if the Settlement Class Member: (i) attests that any claimed lost time was spent responding to issues raised by the Data Incident; and (ii) provides a checkbox-style description. Claims for reimbursement of lost time may be combined with claims for documented out-of-pocket expenses and documented lost time claims.

c) Reimbursement for Documented Lost Time. In addition to the Attested Lost Time, Settlement Class Members may claim up to another two hours of lost time at \$25 per hour by submitting documentation or other writing sufficient to establish the claimant's lost time spent dealing with the Data Incident. Documentation shall be sufficient if the Claims Administrator determines that it is more likely than not that the claim is valid based on the information provided.

2.1.2 Settlement Class Members seeking reimbursement under ¶ 2.1 must complete and submit a Claim Form to the Claims Administrator, postmarked or submitted online on or before the 90th day after the deadline for the commencement of notice to Settlement Class Members as set forth in ¶ 3.2(d) (the "Claims Deadline"). The notice to the Settlement Class will specify this deadline and other relevant dates described herein. The Claim Form must be verified by the Settlement Class Member with a statement that his or her claim is true and correct, to the best of his or her knowledge and belief. Notarization shall not be required. Failure to provide supporting documentation for Out-of-Pocket Losses (other than reimbursement of attested lost time) and Documented Lost Time, referenced above, as requested on the Claim Form, shall result in denial of a claim.

2.2 Limitation on Reimbursable Expenses. Nothing in this Settlement Agreement shall be construed as requiring Defendant to provide, and Defendant shall not be required to provide, for a double payment for the same loss or injury that was reimbursed or compensated by any other

source. No payment shall be made for emotional distress, personal/bodily injury, or punitive damages, as all such amounts are not recoverable pursuant to the terms of the Settlement Agreement.

2.3 Identity Theft Protection and Credit Monitoring. Settlement Class Members may submit a Claim to accept two years of free credit monitoring and identity theft restoration services. The services shall provide three-bureau monitoring and \$1 million of insurance for claims.

2.4 Information Security Improvements. Defendant has agreed to provide sufficient documentation showing that it either has implemented or will implement various security-related measures to improve its data security. Costs associated with these information security improvements will be paid by Defendant separate and apart from other settlement benefits. Upon request by Plaintiff's counsel, Defendant agrees to provide confirmatory discovery regarding changes and improvements made to protect Settlement Class Members' Private Information.

2.5 Dispute Resolution for Claims.

2.5.1 The Claims Administrator, in its sole discretion to be reasonably exercised, will determine whether: (i) the claimant is a Settlement Class Member; (ii) the claimant has provided all information needed to complete the Claim Form, including any documentation that may be necessary to reasonably support the expenses described in ¶ 2.1; and (iii) the information submitted could lead a reasonable person to conclude that more likely than not the claimant has suffered the claimed losses as a result of the Data Incident. The Claims Administrator may, at any time, request from the claimant, in writing, additional information as the Claims Administrator may reasonably require in order to evaluate the claim, *e.g.*, documentation requested on the Claim Form, and required documentation regarding the claimed losses. The Claims Administrator's initial review will be limited to a determination of whether the claim is complete and plausible. For any claims

that the Claims Administrator determines to be implausible, the Claims Administrator will submit those claims to the Settling Parties (Raina Borrelli shall be designated to fill this role for Plaintiff). If the Settling Parties do not agree with the Claimant's claim, after meeting and conferring, then the claim shall be referred to a claims referee for resolution. The Settling Parties will mutually agree on the claims referee should one be required.

2.5.2 Upon receipt of an incomplete or unsigned Claim Form or a Claim Form that is not accompanied by sufficient documentation to determine whether the claim is facially valid, the Claims Administrator shall request additional information ("Claim Supplementation") and give the claimant twenty-one (21) days to cure the defect before rejecting the claim. Requests for Claim Supplementation shall be made within thirty (30) days of receipt of such Claim Form or thirty (30) days from the Effective Date, whichever comes later. In the event of unusual circumstances interfering with compliance during the twenty-one (21) day period, the claimant may request and, for good cause shown (illness, military service, out of the country, mail failures, lack of cooperation of third parties in possession of required information, etc.), shall be given a reasonable extension of the twenty-one (21) day deadline in which to comply; however, in no event shall the deadline be extended to later than six (6) months from the Effective Date. If the defect is not timely cured, then the claim will be deemed invalid and there shall be no obligation to pay the claim.

2.5.3 Following receipt of additional information requested by the Claims Administrator, the Claims Administrator shall have ten (10) days to accept, in whole or lesser amount, or reject each claim. If, after review of the claim and all documentation submitted by the claimant, the Claims Administrator determines that such a claim is facially valid, then the claim shall be paid. If the Claim Administrator determines that such a claim is not facially valid because the claimant

has not provided all information needed to complete the Claim Form and enable the Claim Administrator to evaluate the claim, then the Claims Administrator may reject the claim without any further action. If the claim is rejected in whole or in part, for other reasons, then the claim shall be referred to the claims referee.

2.5.4 If any dispute is submitted to the claims referee, the claims referee may approve the Claims Administrator's determination by making a ruling within fifteen (15) days of the claims referee's receipt of the submitted dispute. The claims referee may make any other final determination of the dispute or request further supplementation of a claim within thirty (30) days of the claims referee's receipt of the submitted dispute. The claims referee's determination shall be based on whether the claims referee is persuaded that the claimed amounts are reasonably supported in fact and were more likely than not caused by the Data Incident. The claims referee shall have the power to approve a claim in full or in part. The claims referee's decision will be final and non-appealable. Any claimant referred to the claims referee shall reasonably cooperate with the claims referee, including by either providing supplemental information as requested or, alternatively, signing an authorization allowing the claims referee to verify the claim through third-party sources, and failure to cooperate shall be grounds for denial of the claim in full. The claims referee shall make a final decision within thirty (30) days of the latter of the following events: its receipt of the submitted dispute and receipt of all supplemental information requested.

2.6 Settlement Expenses. All costs for notice to the Settlement Class as required under ¶¶ 3.1 and 3.2, Costs of Claims Administration under ¶¶ 8.1, 8.2, and 8.3, and the costs of dispute resolution described in ¶ 2.5, shall be paid by Defendant separate and apart from any other benefits provided to Plaintiff and the class.

2.7 Settlement Class Certification. The Settling Parties agree, for purposes of this settlement only, to the certification of the Settlement Class. If the settlement set forth in this Settlement Agreement is not approved by the Court, or if the Settlement Agreement is terminated or cancelled pursuant to the terms of this Settlement Agreement, this Settlement Agreement, and the certification of the Settlement Class provided for herein, will be vacated and the Litigation shall proceed as though the Settlement Class had never been certified, without prejudice to any Person's or Settling Party's position on the issue of class certification or any other issue. The Settling Parties' agreement to the certification of the Settlement Class is also without prejudice to any position asserted by the Settling Parties in any other proceeding, case or action, as to which all of their rights are specifically preserved.

3. Order of Preliminary Approval and Publishing of Notice of Fairness Hearing

3.1. As soon as practicable after the execution of the Settlement Agreement, Plaintiff's Counsel and counsel for Defendant shall jointly submit this Settlement Agreement to the Court, and Plaintiff's Counsel will file a motion for preliminary approval of the settlement with the Court requesting entry of a mutually agreeable Preliminary Approval Order requesting, *inter alia*:

- a) certification of the Settlement Class for settlement purposes only pursuant to ¶ 2.7;
- b) preliminary approval of the Settlement Agreement as set forth herein;
- c) appointment of Raina Borrelli of the law firm TURKE & STRAUSS LLP and as Class Counsel;
- d) appointment of Plaintiff as Class Representative;
- e) approval of a customary form of Short Notice to be mailed by first-class United States Postal Service ("USPS") mail to Settlement Class Members in a form substantially similar to **Exhibit A**, attached hereto.

- f) approval of the Long Notice to be posted on the Settlement Website in a form substantially similar to **Exhibit B**, attached hereto, which, together with the Short Notice, shall include a fair summary of the Settling Parties' respective litigation positions, the general terms of the settlement set forth in the Settlement Agreement, instructions for how to object to or opt-out of the settlement, the process and instructions for making claims to the extent contemplated herein, the requested attorneys' fees, and the date, time and place of the Final Fairness Hearing;
- g) approval of the Claim Form to be available on the Settlement Website for submitting claims and available in .pdf format on the Settlement Website for or if specifically requested by the Settlement Class Member, in a form substantially similar to **Exhibit C**, attached hereto; and
- h) appointment of Epiq as the Claims Administrator.

3.2 Defendant shall pay for providing notice to the Settlement Class in accordance with the Preliminary Approval Order, and the costs of such notice, together with the Costs of Claims Administration. Any attorneys' fees, costs, and expenses of Plaintiff's Counsel, and a service award to the Class Representative, as approved by the Court, shall be paid by Defendant as set forth in ¶ 7 below. These costs, fees, and expenses shall be paid by Defendant separate and apart from all other benefits provided to Plaintiff and the class. Notice shall be provided to Settlement Class Members by the Claims Administrator as follows:

- a) *Class Member Information:* Within fourteen (14) days of entry of the Preliminary Approval Order, Defendant shall provide the Claims Administrator with the name, physical address, and email, if available, of each Settlement Class Member (collectively, "Class Member Information") that Defendant and/or the Released

Entities possess. Defendant will provide the most current Class Member Information for all Settlement Class Members as such information is contained in its or the Released Entities' records.

- b) The Class Member Information and its contents shall be used by the Claims Administrator solely for the purpose of performing its obligations pursuant to this Agreement and shall not be used for any other purpose at any time. Except to administer the Settlement as provided in this Agreement, or to provide all data and information in its possession to the Settling Parties upon request, the Claims Administrator shall not reproduce, copy, store, or distribute in any form, electronic or otherwise, the Class Member Information.
- c) *Settlement Website:* Prior to the dissemination of the Short Notice, the Claims Administrator shall establish the Settlement Website, that will inform Settlement Class Members of the terms of this Agreement, their rights, dates and deadlines and related information. The Settlement Website shall include, in .pdf format and available for download, the following: (i) the Long Notice; (ii) the Claim Form; (iii) the Preliminary Approval Order; (iv) this Agreement; (v) the operative Class Action Complaint filed in the Litigation; (vi) Class Counsel's Application for Attorneys' Fees and Expenses and Service Award for Class Representative; (viii) the Final Approval Order and (ix) any other materials agreed upon by the Settling Parties and/or required by the Court. The Settlement Website shall provide Settlement Class Members with the ability to complete and submit the Claim Form, and supporting documentation, electronically.

d) *Short Notice:* Within forty-five (45) days of entry of the Preliminary Approval Order and to be substantially completed not later than sixty (60) days after entry of the Preliminary Approval Order, subject to the requirements of this Agreement and the Preliminary Approval Order, the Claims Administrator will provide notice to the Settlement Class members as follows:

- via postcard to the postal address provided to Defendant and/or the Released Entities by the Settlement Class Members. Before any mailing under this paragraph occurs, the Claims Administrator shall run the postal addresses of Settlement Class Members through the USPS National Change of Address database to update any change of address on file with the USPS within thirty (30) days of entry of the Preliminary Approval Order;
- in the event that a Short Notice is returned to the Claims Administrator by the USPS because the address of the recipient is not valid, and the envelope contains a forwarding address, the Claims Administrator shall re-send the Short Notice to the forwarding address within seven (7) days of receiving the returned Short Notice;
- in the event that subsequent to the first mailing of a Short Notice, and at least fourteen (14) days prior to the Opt-Out Date and the Objection Date, a Short Notice is returned to the Claims Administrator by the USPS because the address of the recipient is no longer valid, i.e., the envelope is marked “Return to Sender” and

does not contain a new forwarding address, the Claims Administrator shall perform a standard skip trace, in the manner that the Claims Administrator customarily performs skip traces, in an effort to attempt to ascertain the current address of the particular Settlement Class Member in question and, if such an address is ascertained, the Claims Administrator will re-send the Short Notice within seven (7) days of receiving such information. This shall be the final requirement for mailing.

- The date of the first mailing of the Short Notice shall be deemed the “notice commencement date” for purposes of calculating the opt-out and objection deadlines, and all other deadlines that flow from the notice commencement date.
- e) Publishing, on or before the date of mailing the Short Notice, the Claim Form and the Long Notice on the Settlement Website as specified in the Preliminary Approval Order, and maintaining and updating the Settlement Website throughout the claim period;
- f) A toll-free help line shall be made available to provide Settlement Class Members with additional information about the settlement and to respond to Settlement Class Members’ questions. The Claims Administrator also will provide copies of the Short Notice, Long Notice, and paper Claim Form, as well as this Settlement Agreement, upon request to Settlement Class Members; and

- g) Contemporaneously with seeking Final approval of the Settlement, Class Counsel and Defendant shall cause to be filed with the Court an appropriate affidavit or declaration with respect to complying with this provision of notice.

3.3 The Short Notice, Long Notice, and other applicable communications to the Settlement Class may be adjusted by the Claims Administrator, respectively, in consultation and agreement with the Settling Parties, as may be reasonable and not inconsistent with such approval. The notice program shall commence within forty-five (45) days after entry of the Preliminary Approval Order and shall be completed within sixty (60) days after entry of the Preliminary Approval Order.

3.4 Class Counsel and Defendant's counsel shall request that after notice is completed, the Court hold a hearing (the "Final Fairness Hearing") and grant final approval of the settlement set forth herein.

3.5 Defendant will serve or cause to be served the notice required by the Class Action Fairness Act of 2005, 28 U.S.C. § 1715, no later than ten (10) days after Plaintiff's Motion for Preliminary Approval is filed with the Court.

4. Opt-Out Procedures

4.1 Each Person wishing to opt-out of the Settlement Class shall individually sign and timely submit written notice of such intent to the designated Post Office box established by the Claims Administrator. The written notice must clearly manifest a Person's intent to be excluded from the Settlement Class. To be effective, written notice must be postmarked no later than sixty (60) days after the date on which the notice program commences pursuant to ¶ 3.2(d).

4.2 All Persons who submit valid and timely notices of their intent to be excluded from the Settlement Class, as set forth in ¶ 4.1 above, referred to herein as "Opt-Outs," shall not receive

any Settlement benefits of, and will not be bound by, the terms of this Settlement Agreement. All Persons falling within the definition of the Settlement Class who do not submit a valid and timely request to be excluded from the Settlement Class in the manner set forth in ¶ 4.1 above shall be bound by the terms of this Settlement Agreement and Judgment entered thereon.

4.3 In the event that within ten (10) days after the Opt-Out Date, there have been requests for exclusions totaling more than twenty-five (25) individuals, Defendant may void this Settlement Agreement by notifying Class Counsel in writing. If Defendant voids this Agreement under this paragraph 4.3, (a) the Parties shall be restored to their respective positions in the litigation and shall jointly request that all scheduled litigation deadlines be reasonably extended by the Court as to avoid prejudice to any Party or Party's counsel; (b) the terms and provisions of the Settlement Agreement and statements made in connection with seeking approval of the Settlement shall have no further force and effect with respect to the Parties and shall not be used in the Action or in any other proceeding for any purpose, and any judgment or order entered by the Court in accordance with the terms of the Settlement Agreement and shall be treated as vacated, *nunc pro tunc*; and (c) Defendant shall be obligated to pay all settlement expenses already incurred, excluding any attorneys' fees, costs, and expenses of Class Counsel and service award to Plaintiff, and shall not, at any time, seek recovery of the same from any other party to the Litigation or from counsel to any other party to the Litigation.

5. Objection Procedures

5.1 Each Settlement Class Member desiring to object to the Settlement Agreement shall submit a timely written notice of his or her objection by the Objection Date. Such notice shall state: (i) the objector's full name, address, telephone number, and e-mail address (if any); (ii) information identifying the objector as a Settlement Class Member, including proof that the

objector is a member of the Settlement Class (e.g., copy of notice, copy of original notice of the Data Incident); (iii) a written statement of all grounds for the objection, accompanied by any legal support for the objection the objector believes applicable; (iv) the identity of any and all counsel representing the objector in connection with the objection; (v) a statement as to whether the objector and/or his or her counsel will appear at the Final Fairness Hearing; (vi) the objector's signature and the signature of the objector's duly authorized attorney or other duly authorized representative (along with documentation setting forth such representation); and (vii) a list, by case name, court, and docket number, of all other cases in which the objector and/or the objector's counsel has filed an objection to any proposed class action settlement within the last three (3) years. To be timely, written notice of an objection in the appropriate form must be filed with the Clerk of the Court and contain the case name and docket number *Lara v. Lubbock Heart Hospital, LLC*, 5:23-CV-00036-H no later than sixty (60) days from the date on which notice program commences pursuant to ¶ 3.2(d), and served concurrently therewith upon Class Counsel, Raina Borrelli of the law firm TURKE & STRAUSS LLP, 613 Williamson Street, Suite 201, Madison, WI 53703; and counsel for Defendant, Marcus McCutcheon of BAKER HOSTELLER LLP at 600 Anton Blvd., Suite 900, Costa Mesa, CA 92626.

5.2 Any Settlement Class Member who fails to comply with the requirements for objecting in ¶ 5.1 shall waive and forfeit any and all rights he or she may have to appear separately and/or to object to the Settlement Agreement and shall be bound by all the terms of the Settlement Agreement and by all proceedings, orders and judgments in the Litigation. The exclusive means for any challenge to the Settlement Agreement shall be through the provisions of ¶ 5.1. Without limiting the foregoing, any challenge to the Settlement Agreement, the final order approving this

Settlement Agreement, or the Judgment to be entered upon final approval shall be pursuant to appeal under the Federal Rules of Appellate Procedure and not through a collateral attack.

6. Releases

6.1 Upon the Effective Date, each Settlement Class Member (who has not timely and validly excluded himself or herself from the Settlement), including Plaintiff, shall be deemed to have, and by operation of the Judgment shall have, fully, finally, and forever released, relinquished, and discharged all Released Claims. Further, upon the Effective Date, and to the fullest extent permitted by law, each Settlement Class Member (who has not timely and validly excluded himself or herself from the Settlement), including Plaintiff, shall, either directly, indirectly, representatively, as a member of or on behalf of the general public or in any capacity, be permanently barred and enjoined from commencing, prosecuting, or participating in any recovery in any action in this or any other forum (other than participation in the settlement as provided herein) in which any of the Released Claims is asserted.

6.2 Upon the Effective Date, Defendant shall be deemed to have, and by operation of the Judgment shall have, fully, finally, and forever released, relinquished, and discharged Plaintiff, each and all of the Settlement Class Members, Class Counsel and Plaintiff's Counsel, of all claims, including Unknown Claims, based upon or arising out of the institution, prosecution, assertion, settlement, or resolution of the Litigation or the Released Claims. Any other claims or defenses Defendant may have against such Persons including, without limitation, any claims based upon or arising out of any retail, banking, debtor-creditor, contractual, or other business relationship with such Persons that are not based upon or do not arise out of the institution, prosecution, assertion, settlement, or resolution of the Litigation or the Released Claims are specifically preserved and shall not be affected by the preceding sentence.

6.3 Notwithstanding any term herein, neither Defendant nor its Related Person, shall have or shall be deemed to have released, relinquished or discharged any claim or defense against any Person other than Plaintiff, each and all of the Settlement Class Members, Class Counsel, and Plaintiff's Counsel.

6.4 Nothing in this ¶ 6 shall preclude any action to enforce the terms of this Settlement Agreement by Plaintiff, Settlement Class Members, Class Counsel, or Defendant.

7. Plaintiff Counsel's Attorneys' Fees, Costs, and Expenses; Service Award to Plaintiff

7.1 The Settling Parties did not discuss the payment of attorneys' fees, costs, expenses and/or service award to Plaintiff, as provided for in ¶¶ 7.2 and 7.3, until after the substantive terms of the settlement had been agreed upon, other than that Defendant would not object to a request for reasonable attorneys' fees, costs, expenses, and a service award to Plaintiff as may be ordered by the Court. Defendant and Class Counsel then negotiated and agreed to the provisions described in ¶¶ 7.2 and 7.3. Defendant shall pay any attorneys' fees, costs, expenses and/or service award to Plaintiff, as provided for in ¶¶ 7.2 and 7.3, separate and apart from any benefits provided to Settlement Class Members and the costs of notice and Claims Administration.

7.2 Subject to Court approval, Defendant has agreed not to object to a request by Class Counsel for attorneys' fees, inclusive of any costs and expenses of the Litigation in an amount not to exceed \$262,500 to Plaintiff's Counsel.

7.3 Subject to Court approval, Defendant has agreed not to object to a request for a service award in the amount of \$2,500 to the named Plaintiff.

7.4 If awarded by the Court, Defendant shall pay the attorneys' fees, costs, expenses, and service awards to Plaintiff, as set forth above in ¶¶ 7.2, 7.3, and 7.4, within thirty (30) days

after the Effective Date. Class Counsel shall thereafter distribute the award of attorneys' fees, costs, and expenses among Plaintiff's Counsel and service awards to Plaintiff consistent with ¶¶ 7.2 and 7.3.

7.5 The amount(s) of any award of attorneys' fees, costs, and expenses, and the service award to Plaintiff, are intended to be considered by the Court separately from the Court's consideration of the fairness, reasonableness, and adequacy of the settlement. Plaintiff shall file any motion seeking an award of attorneys' fees, costs, and expenses, and the service award to Plaintiff at least 14 days prior to the Objection Date. These payments will not in any way reduce the consideration being made available to the Settlement Class as described herein. No order of the Court, or modification or reversal or appeal of any order of the Court, concerning the amount(s) of any attorneys' fees, costs, expenses, and/or service awards ordered by the Court to Class Counsel or Plaintiff shall affect whether the Judgment is Final or constitute grounds for cancellation or termination of this Settlement Agreement.

8. Administration of Claims

8.1 The Claims Administrator shall administer and calculate the claims submitted by Settlement Class Members under ¶ 2.1. Class Counsel and Defendant shall be given reports as to both claims and distribution and have the right to review and obtain supporting documentation to the extent necessary to resolve claims administration issues. The Claims Administrator's and claims referee's, as applicable, determination of whether a Settlement Claim is a Valid Claim shall be binding, subject to the dispute resolution process set forth in ¶ 2.5. All claims agreed to be paid in full by Defendant shall be deemed a Valid Claim.

8.2 Checks for Valid Claims shall be mailed and postmarked within sixty (60) days of the Effective Date, or within thirty (30) days of the date that the claim is approved, whichever is later.

8.3 All Settlement Class Members who fail to timely submit a claim for any benefits hereunder within the time frames set forth herein, or such other period as may be ordered by the Court, or otherwise expressly allowed by law or the Settling Parties' written agreement, shall be forever barred from receiving any payments or benefits pursuant to the settlement set forth herein, but will in all other respects be subject to, and bound by, the provisions of the Settlement Agreement, the releases contained herein and the Judgment.

8.4 No Person shall have any claim against the Claims Administrator, claims referee, Defendant, Released Persons, Class Counsel, Plaintiff, Plaintiff's Counsel, and/or Defendant's counsel based on distributions of benefits to Settlement Class Members.

8.5 Information submitted by Settlement Class Members in connection with submitted claims under this Settlement Agreement shall be deemed confidential and protected as such by the Claims Administrator, Claims Referee, Class Counsel, and counsel for Defendant.

9. Conditions of Settlement, Effect of Disapproval, Cancellation, or Termination

9.1 The Effective Date of the settlement shall be conditioned on the occurrence of all of the following events:

- a) the Court has entered the Order of Preliminary Approval and Publishing of Notice of a Final Fairness Hearing, as required by ¶ 3.1;
- b) Defendant has not exercised its option to terminate the Settlement Agreement pursuant to ¶ 4.3;

- c) the Court has entered the Judgment granting final approval to the settlement as set forth herein; and
- d) the Judgment has become Final, as defined in ¶ 1.11.

9.2 If all conditions specified in ¶ 9.1 hereof are not satisfied, the Settlement Agreement shall be canceled and terminated subject to ¶ 9.4 unless Class Counsel and counsel for Defendant mutually agree in writing to proceed with the Settlement Agreement.

9.3 Within seven (7) days after the Opt-Out Date, the Claims Administrator shall furnish to Class Counsel and to Defendant's counsel a complete list of all timely and valid requests for exclusion (the "Opt-Out List").

9.4 In the event that the Settlement Agreement or the releases set forth in ¶¶ 6.1, 6.2, and 6.3 above are not approved by the Court or the settlement set forth in the Settlement Agreement is terminated in accordance with its terms: (i) the Settling Parties shall be restored to their respective positions in the Litigation and shall jointly request that all scheduled Litigation deadlines be reasonably extended by the Court so as to avoid prejudice to any Settling Party or Settling Party's counsel; (ii) the terms and provisions of the Settlement Agreement shall have no further force and effect with respect to the Settling Parties and shall not be used in the Litigation or in any other proceeding for any purpose, and (iii) any judgment or order entered by the Court in accordance with the terms of the Settlement Agreement shall be treated as vacated, *nunc pro tunc*. Notwithstanding any statement in this Settlement Agreement to the contrary, no order of the Court or modification or reversal on appeal of any order reducing the amount of attorneys' fees, costs, expenses, and/or service awards shall constitute grounds for cancellation or termination of the Settlement Agreement. Further, notwithstanding any statement in this Settlement Agreement to the contrary, Defendant shall be obligated to pay amounts already billed or incurred for costs of

notice to the Settlement Class, and Claims Administration, and shall not, at any time, seek recovery of same from any other party to the Litigation or from counsel to any other party to the Litigation.

10. Miscellaneous Provisions

10.1 The Settling Parties (i) acknowledge that it is their intent to consummate this Settlement Agreement; (ii) agree to cooperate to the extent reasonably necessary to effectuate and implement all terms and conditions of this Settlement Agreement; and (iii) agree to exercise their best efforts to accomplish the terms and conditions of this Settlement Agreement.

10.2 The Settling Parties intend this settlement to be a final and complete resolution of all disputes between them with respect to the Litigation. The settlement compromises claims that are contested and shall not be deemed an admission by any Settling Party as to the merits of any claim or defense. The Settling Parties each agree that the settlement was negotiated in good faith by the Settling Parties and reflects a settlement that was reached voluntarily after consultation with competent legal counsel. The Settling Parties reserve their right to rebut, in a manner that such party determines to be appropriate, any contention made in any public forum that the Litigation was brought or defended in bad faith or without a reasonable basis. It is agreed that no Party shall have any liability to any other Party as it relates to the Litigation, except as set forth in the Settlement Agreement.

10.3 Neither the Settlement Agreement, nor the settlement contained herein, nor any act performed or document executed pursuant to or in furtherance of the Settlement Agreement or the settlement (i) is or may be deemed to be or may be used as an admission of, or evidence of, the validity or lack thereof of any Released Claim, or of any wrongdoing or liability of any of the Released Persons; or (ii) is or may be deemed to be or may be used as an admission of, or evidence of, any fault or omission of any of the Released Persons in any civil, criminal or administrative

proceeding in any court, administrative agency or other tribunal. Any of the Released Persons may file the Settlement Agreement and/or the Judgment in any action related to the Data Incident that may be brought against them or any of them in order to support a defense or counterclaim based on principles of *res judicata*, collateral estoppel, release, good faith settlement, judgment bar, or reduction or any other theory of claim preclusion or issue preclusion or similar defense or counterclaim.

10.4 The Settlement Agreement may be amended or modified only by a written instrument signed by or on behalf of all Settling Parties or their respective successors-in-interest.

10.5 The Settlement Agreement contains the entire understanding between Defendant and Plaintiff to settle this matter and supersedes all previous negotiations, agreements, commitments, understandings, and writings between Defendant and Plaintiff in connection with the settlement of this matter. Except as otherwise provided herein, each party shall bear its own costs. This Agreement supersedes all previous agreements made between Defendant and Plaintiff. Any agreements reached between Defendant, Plaintiff, and any third party, are expressly excluded from this provision.

10.6 Class Counsel, on behalf of the Settlement Class, are expressly authorized by Plaintiff to take all appropriate actions required or permitted to be taken by the Settlement Class pursuant to the Settlement Agreement to effectuate its terms, and also are expressly authorized to enter into any modifications or amendments to the Settlement Agreement on behalf of the Settlement Class which they deem appropriate in order to carry out the spirit of this Settlement Agreement and to ensure fairness to the Settlement Class.

10.7 Each counsel or other Person executing the Settlement Agreement on behalf of any party hereto hereby warrants that such Person has the full authority to do so.

10.8 The Settlement Agreement may be executed in one or more counterparts. All executed counterparts shall be deemed to be one and the same instrument. A complete set of original executed counterparts shall be filed with the Court.

10.9 The Settlement Agreement shall be binding upon, and inure to the benefit of, the successors and assigns of the parties hereto. No assignment of this Settlement Agreement will be valid without the other party's prior, written permission.

10.10 The Court shall retain jurisdiction with respect to implementation and enforcement of the terms of the Settlement Agreement, and all parties hereto submit to the jurisdiction of the Court for purposes of implementing and enforcing the settlement embodied in the Settlement Agreement.

10.11 As used herein, "he" means "he, she, or it;" "his" means "his, hers, or its," and "him" means "him, her, or it."

10.12 All dollar amounts are in United States dollars (USD).

10.13 Cashing a settlement check is a condition precedent to any Settlement Class Member's right to receive monetary settlement benefits. All settlement checks shall be void ninety (90) days after issuance and shall bear the language: "This check must be cashed within ninety (90) days, after which time it is void." If a check becomes void, the Settlement Class Member shall have until six (6) months after the Effective Date to request re-issuance by the Claims Administrator.

10.14 If no request for re-issuance is made within this period, the Settlement Class Member will have failed to meet a condition precedent to recovery of settlement benefits, the Settlement Class Member's right to receive monetary relief shall be extinguished, and Defendant shall have no obligation to make payments to the Settlement Class Member for expense

reimbursement under ¶ 2.1 or any other type of monetary relief. The same provisions shall apply to any re-issued check. For any checks that are issued or re-issued for any reason more than one hundred eighty (180) days from the Effective Date, requests for re-issuance need not be honored after such checks become void.

10.15 All agreements made and orders entered during the course of the Litigation relating to the confidentiality of information shall survive this Settlement Agreement.

IN WITNESS WHEREOF, the parties hereto have caused the Settlement Agreement to be executed by their duly authorized attorneys.
